Current Research and Writing

- Pursuing several projects on the institutional development of the U.S. Congress, including a book-length study of party leadership and the emergence of the modern Senate, with G. Gamm, analysis of the effects of the composition of the roll-call record on inferences about party influence, and a book on party effects in Congress with F. Maltzman and E. Lawrence
- Preparing articles, papers, and a monograph on the development of parliamentary institutions and parties in the Russian Federation, including a study of presidential-parliamentary relations, with T. Remington. Funded by the National Council for Soviet and East European Research and the National Science Foundation.
- Developing a virtual lab for teaching undergraduate research methods in the social sciences, with funding from the National Science Foundation.

Books

1. *The American Congress* (Cambridge University Press, 2006, 2008; Houghton Mifflin, 1995, 1999, 2003)
